ATELIER DESIGN DE LUMINAIRES ■

Entrez dans la maison Forestier où la lumière pénètre de toutes parts pour lover l'intérieur de sa clarté.

Un lieu unique où chaque pièce est pensée pour offrir des émotions passionnément illuminées. Ces luminaires sont l'œuvre de nos designers qui jouent avec les matières filaires et la transparence, avec l'idée de respecter la nature sous toutes ses formes et l'humain en privilégiant les savoir-faire artisanaux...

Nous avons une ligne artistique éditoriale particulière où la passion, la liberté et la découverte ne font qu'un. Ces trois valeurs essentielles à nos yeux se retrouvent dans nos luminaires, des suspensions aux lampes et lampadaires qui projettent poésie et nature dans un parfait équilibre entre Design et Artisanat.

Bienvenue dans un univers empreint de poésie et d'exigence ultime de qualité.

LIGHTING DESIGN WORKSHOP ■

Enter Maison Forestier where light penetrates everywhere and winds through the interior with its clarity.

A unique place where each room is pondered to offer passionately illuminated emotions. These lights are the creations of our designers who play with wire and transparency, with the idea of respecting nature in all its forms and the human being by favoring craftsmanship ...

We have a special editorial art line where passion, freedom and discovery unite as one. These three essential values to us are found in our lighting, from lamp suspensions and street lamps that project poetry and nature in perfect balance between Design and Craftwork.

Welcome to a world full of poetry and the ultimate expectation of quality.
